

March 25, 1945

Dear Kitten:

Its beautiful here  
to day when we have days like  
this I wish the baby were here  
to take it walking. you should  
see me, I look as tho I were  
carrying a watermelon and does it  
look the deiciest thing, it will  
two more months and it will  
be here.

What did you get for  
Easter anything new my outfit  
is a 'cleo hood of hair oh but  
next year there will be two of  
us dressed to kill, god willing  
now that the time is drawing  
near keeps wondering what it  
is going to look like I hope it  
isn't too homely.

It is nine o'clock and I  
am just about finishing this, I start

ed at three but we had company  
and after we took them home  
ate & took a walk the time  
passed. I am wearing Monte out  
these days with all the walks we  
take.

Where are you getting all  
the cards they are very cute and  
I do like receiving them my mother  
was telling me she saw the Ice  
7 allies did you get a chance to  
see them this year. They don't  
have anything like that out here  
not even good plays imagine the  
capital of the state and only one  
playhouse. Oklahoma was here  
for two weeks but we were un-  
able to get any tickets.

My mother sent me my  
brothers picture seems so strange  
seeing him in uniform he took  
a physical a few weeks ago and the  
nurse said beside being color  
blind he was flat footed & had  
a twisted spine. To look at him  
you wouldn't think there was  
anything wrong from his picture  
he looks better than he ever  
did, and from what he writes

ME  
me he likes it very much, he is  
almost through his ninety days  
so I don't know where he goes from  
there.

I don't do much these days,  
seems funny for me to get tired so  
easily, but I have to be careful I don't  
overdo. We expect Monte's brother  
home in May or June + Jeannette's  
husband expects to get home later  
they are taking turns over there  
so we are all pulling that  
they make it.

Well I had better put my  
laundry up home you say never  
hesitate take care and keep  
showing those dimples.

loads of love +  
kisses  
Utah
